

OUTSTANDING PROFESSIONAL SERVICES

THE BLOCKIES.

2025 Australian Blockchain Awards

Nomination Questions

The "Outstanding Professional Services in Blockchain" award recognises exceptional organisations that have delivered exemplary services in the blockchain industry, including but not limited to legal, tax, security, analytics, and advisory.

Eligibility

- This is a business award.
- Open to businesses from both Australia and internationally, provided international businesses are actively operating within or have a significant business presence in Australia.
- Open exclusively to businesses providing professional services tailored to the blockchain and digital currency sector.
- Nominees must demonstrate a consistent record of delivering exceptional services with tangible impacts on their clients.
- Businesses should provide evidence of innovative solutions or methodologies addressing specific challenges or opportunities in the blockchain industry.
- Demonstrable commitment to staying current with regulatory perimeters, technological advancements, and market dynamics to provide informed services is essential.
- Client endorsements, case studies, or testimonials that highlight the firm's proficiency, influence, and exceptional service quality will be taken into account.

Program Offerings & Specialisations: Describe the range and depth of your professional services. Specifically, mention any niche areas of expertise or specialised service offerings tailored to the blockchain and digital currency sector. (200 words max)

Regulatory & Technological Adaptability: Elaborate on your firm's commitment to staying updated with regulatory changes, technological advancements, and market dynamics. How do you ensure your team remains innovative, informed and trained to offer the most relevant and compliant services? (200 words max)

Client Impact & Success Stories: Provide specific instances, case studies, or project outlines that showcase your firm's proficiency in delivering tangible results and positive impacts for clients in the blockchain and digital currency sector. (200 words max)

Endorsements & Testimonials: Submit client endorsements, testimonials, or other recognitions that highlight your organisation's excellence, influence, and exceptional service quality within the blockchain professional services domain. (200 words max)

Continuous Learning & Staff Development: Discuss any internal training programs, workshops, or courses your firm conducts to ensure staff remains at the forefront of blockchain knowledge, regulations, and best practices. (200 words max)

Uploads:

Logo: Please upload a high-resolution logo of the organisation.

Company Overview: Provide a brief business bio (max 50 words)

Supporting Documentation: Attach any relevant documents, case studies, endorsements, testimonials, or other materials.
