

EXCELLENCE IN EDUCATION

THE BLOCKIES.

2025 Australian Blockchain Awards

Nomination Questions

The **Excellence in Education** award recognises outstanding contributions to blockchain, digital asset, and Web3 education in Australia. This includes educational institutions such as universities, TAFEs, schools, and online platforms, as well as content and resource creators including podcasts, digital content, toolkits, books, and learning modules. The award celebrates those who have developed and delivered high-quality, accessible, and impactful education in any form, catering to diverse learning needs and delivery models.

Eligibility

- This is a business award.
- Open to educational institutions such as universities, TAFEs, schools, and online learning platforms, as well as content and resource creators including podcasts, events, channels, textbooks, books, toolkits, digital content, and learning modules.
- Nominees must have showcased a robust and comprehensive resource/offering, that provides theoretical knowledge and/or opportunities for practical understanding or application.
- Evidence of initiatives or programs aimed at enhancing blockchain and/or digital currency education, incorporating a variety of learning modes and delivery models, is essential.
- Innovative approaches, tools, or resources that cater to diverse learning needs and preferences will be given special consideration.

Curriculum Excellence: Describe your educational offering or resource (institution, curriculum, program, platform, book, podcast, online course or other). How does it provide both theoretical knowledge and opportunities for practical understanding or application? (200 words max)

Programs and Initiatives: Detail any specific programs, features, or unique elements you have introduced to enhance blockchain education. How do these ensure varied learning modes and/or effective delivery? (200 words max)

Innovative Approaches: Share any innovative approaches, design elements, teaching methodologies, or tools used to create or deliver your offering and engage learners. (150 words max)

Impact and Outcomes: Describe the impact of your offering. How have learners benefited, and what influence has it had on the blockchain industry? (150 words max)

Feedback and Evolution: How do you gather feedback on your offering, and what improvements or updates have or will be made as a result? (150 words max)

Collaborations and Partnerships: Highlight any collaborations or partnerships that have enriched your educational offering or resource. (150 words max)

Uploads:

Logo: Please upload a high-resolution logo of the organisation.

Company Overview: Provide a brief business bio (max 50 words)

Supporting Documentation: Attach any relevant documents, case studies, endorsements, testimonials, or other materials.
