

## FINANCIAL SERVICES INNOVATOR OF THE YEAR

# THE BLOCKIES.

## 2025 Australian Blockchain Awards

## Nomination Questions

The **Financial Services Innovator of the Year** award recognises businesses that have made significant advancements in the financial services sector, driving innovation that enhances the efficiency, accessibility, and security of financial systems.

This category celebrates organisations that have developed groundbreaking solutions, whether through fintech, stablecoin businesses, pilots, or other financial innovations, contributing to the evolution and success of the digital economy.

### Eligibility:

This award is open to businesses that have demonstrated exceptional innovation in the financial services industry. Eligible nominees include, but are not limited to, fintech companies, banks, stablecoin initiatives, pilots, and banks. Nominees must have a proven track record of implementing solutions that have significantly impacted the financial landscape while leveraging distributed ledger technology, driving progress and supporting the digital economy's growth.

### Innovative Financial Solutions:

Describe the most significant financial innovations your organisation has developed or implemented. How have these solutions addressed critical needs in the financial services sector and contributed to the success of the wider digital economy? (Max 250 words)

### Impact on Financial Ecosystem:

Discuss how your organisation's innovations have influenced the broader financial ecosystem. Include specific examples of how these innovations have enhanced efficiency, accessibility, security, or user experience in financial services. (Max 250 words)

### Collaboration with Key Stakeholders:

Identify key stakeholders, such as financial institutions, government bodies, or regulatory agencies, that have partnered with or leveraged your financial innovations. How have these collaborations amplified the impact of your solutions? (Max 250 words)

### Strategic Vision & Execution:

Explain your organisation's long-term vision for financial innovation and how it aligns with your strategic initiatives. How have your innovations positioned your organisation as a leader in the financial services industry? (Max 300 words)

### Case Study

#### Transforming Financial Services:

Provide a case study of a specific project or initiative where your organisation's innovation significantly transformed financial services. Discuss the challenges faced, solutions implemented, and the outcomes achieved. (Max 250 words)

### Uploads:

**Logo:** Please upload a high-resolution logo of the organisation.

**Company Overview:** Provide a brief business bio (max 50 words)

**Supporting Documentation:** Attach any relevant documents, case studies, endorsements, testimonials, or other materials.
